

WEAC Region 7 Fast \$50 Recruitment Incentive Compensation Claim Form

Dear Region 7 Member:
 WEAC Region 7 is willing to pay you \$50 for every non-member you recruit *between now and October 31, 2019*, to become a member of your local, Region 7, and its affiliates. **Membership must begin in this timeframe, also.** To receive your incentive, please complete the form below listing the required information for every non-member you try to recruit. Then check the box as to whether the non-member joined or refused to join. Once the Region receives this form, as well as the completed membership enrollment forms, and valid payment types (EFT or checking account info is preferable to credit/debit cards because EFT's don't expire) for each successful recruit, your incentive check will be sent. **This form, and the membership enrollment forms, must be filled out completely and received by WEAC Region 7 by November 7, 2019.** There will be no exceptions. This money is paid with a grant, subject to grantors rules and conditions. Please note, new members will only be charged a pro-rated portion of their annual dues for this membership year (this is a one-time opportunity).

Don't forget our membership incentives. If a person is "new to the profession" Region 7 will waive the payment of regional dues (\$232 + \$ 3 PAC) for the first year of membership. Region 7 also offers a spousal/domestic partner discount. If both parties in a household are Region 7 dues paying members, they each only have to pay ½ of the regional dues (\$116 reduction).

Thank you for helping us grow our union by adding colleagues who can help us make an even bigger positive difference in public education. If you have questions, please contact the WEAC Region 7 office at 1-800-403-5843. Please mail the completed form(s) to:

WEAC Region 7
